The Path to Board Service! Part 2: Stories from Successful Travelers

Future of Nursing: *Leading Change, Advancing Health*

Prepare and enable nurses to lead change to advance health.

Nurses, nursing education programs, and nursing associations should prepare the nursing workforce to assume leadership positions across all levels, while public, private, and governmental health care decision makers should ensure that leadership positions are available to and filled by nurses.

Recommendation #7

- Personal responsibility for developing leadership skills
- Professional associations – leadership programs, mentorship and opportunities to lead
- Academia – integrate leadership and business theories across the curriculum
- Nurses on boards, executive teams and in key leadership positions.
