

Introducing the Launch of the ACNL Mentoring Program

*Who do you know who would make a difference as a Mentor?
Who do you know whose future as a nurse leader would benefit from being mentored?
We want to know them!*

Because ACNL and the CA Action Coalition are committed to developing nurse leaders, we have joined forces to launch a pilot Mentoring Program.

Who are the Mentees?

Self-identified, high-performing nurses in service or academia who aspire to become nurse leaders

Who are the Mentors?

High-performing nurse leaders in service or academia committed to the future of nursing

Benefits to being a Mentee	Benefits to serving as a Mentor
<ul style="list-style-type: none"> • Grow and develop as a nurse leader • Develop leadership skills • Gain more responsibilities, participation, and impact as a nurse • Connect, learn from, and collaborate with nurse leaders 	<ul style="list-style-type: none"> • Gain visibility as a leader in the community • Develop transferable mentoring skills for any team/relationship • Contribute to the future of nursing • Make work a more rewarding experience

How can someone participate as a Mentee?

- Complete application at www.ACNLmentoring.org
- Click "Register here for access" to be taken to the registration page

How can someone participate as a Mentor?

- Complete application at www.ACNLmentoring.org
- Click "Register here for access" to be taken to the registration page

How will we help participants be successful in the Program?

- Training, including framework for engaging in mentoring conversations
- Mentor/Mentee Workbooks, monthly guidance, tools, and resources
- A Mentoring Champion Group to support participants

What to expect:

- Kick-off + Mid-Mentoring meeting + Debrief
- 6-month mentoring relationship w/ monthly meetings + weekly connections
- A Leadership Project (Mentee) + Leadership Recommendations (Mentor)
